

# Second Grade Wilmeth Longhorn Newsletter

August 29<sup>th</sup>-September 2<sup>nd</sup>

Welcome back Longhorns! We had a great first week of school! We had so much fun getting to know our wonderful group of Second Graders! We are truly blessed!

## Upcoming Dates

September 5<sup>th</sup> ~ No School Labor Day  
September 9<sup>th</sup> ~ Grandparent Day

We know that it still feels like summer outside so please be sure that your child is dressed appropriately according to the MISD Dress Code. Thank you for your support!

## Notes from Our Hero Headquarters

Friday Aug. 26<sup>th</sup> was the last day to walk students to class. Hugs and kisses from mom and dad are to be given outside and students will walk inside on their own.

There is no parking on the back lot or front lots at arrival and dismissal. All parents driving need to use the drop off lanes.

Walking families always use the crosswalks and never cross traffic!!! Please let's set positive examples for our students.

Lunch visitation for special days will begin on September 9<sup>th</sup> with Grandparent Day. Please make sure to complete the form.

Make sure to get those background checks completed if you want to attend class activities this year.

As of today, a little over 82% of our Wilmeth students have had their registration completed. **Thank you parents!** Please log into HAC and complete this process. You can reference the e-mail sent on August 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> from [eos@mckinneyisd.net](mailto:eos@mckinneyisd.net) or simply "eos" with the subject line "**McKinney ISD's Online Registration for Returning Students**". This e-mail will give you instructions on how you are to go about updating the registration information for all returning students through HAC (Home Access Center). Thank you for your prompt attention to this matter.
