### READING RESPONSE PROMPT IDEAS

- My favorite part of the story was when.....
- I made a (text to self, text to text, or text to world) connection...
- I learned...
- I noticed...
- I wonder...

### READING RESPONSE QUESTION IDEAS

- What part of the story did you like best? Why?
- How would you change the beginning or the end of the story?
- Which character reminded you most of yourself? Why?
- What do you think would happen next in your story?
- How would you describe what you visualized (pictured) in your mind while reading this text?
- Would you recommend this book to someone else? Why/why not?

Sam has 17 marbles. His best friend has 13 marbles. How many more marbles does Sam have than his friend?

BSD  
Bigger, Smaller  
Difference

I can partner them up to see how many are left without a partner. **4 are left**

Let me ✓ my work.

Sam has 4 more than his friend.

I can take 13 away to find the difference.

13 hops back

Bill has 15 books. Mark has 12 books.  
How many more books does Bill have than Mark?
