- The Writing Process
- Writing about Favorite Holiday

Notes from Our Hero Headquarters

Our **Positive Behavior & Intervention Support** system is up and running at Wilmeth! Students who are seen following our **Guidelines for Success** will be praised and handed a **Super Hero ticket** by any staff member in the building! After receiving a ticket, the student will place his/her Super Hero ticket to the classroom bucket for a chance to **win a reward on Ticket Tuesday** each week. Also, each month at our Rally, all students who have received tickets in the classroom that month will be eligible to have their ticket drawn for their grade level!

The Principal's 200 Club started this week! Ten **Longhorn Pride tickets** are given out to random staff members each week. **The Longhorn Pride ticket is given to students who excel at demonstrating our Guidelines for Success.** When a student receives a Longhorn Pride ticket, he/she will bring the ticket to the office to draw a number to put his/her name on the Principal's 200 Club chart. Once the chart has 10 student names in a row, that row of students will get to have a mystery celebration with Ms. Bragg and Mrs. Ellis!
